Annexure II

Offences and Penalties for Violation of Lockdown Measures**A. Section 51 to 60 of the Disaster Management Act, 2005**

51. Punishment for obstruction, etc.—Whoever, without reasonable cause —

- (a) obstructs any officer or employee of the Central Government or the State Government, or a person authorised by the National Authority or State Authority or District Authority in the discharge of his functions under this Act; or
- (b) refuses to comply with any direction given by or on behalf of the Central Government or the State Government or the National Executive Committee or the State Executive Committee or the District Authority under this Act,

shall on conviction be punishable with imprisonment for a term which may extend to one year or with fine, or with both, and if such obstruction or refusal to comply with directions results in loss of lives or imminent danger thereof, shall on conviction be punishable with imprisonment for a term which may extend to two years.

52. Punishment for false claim.—Whoever knowingly makes a claim which he knows or has reason to believe to be false for obtaining any relief, assistance, repair, reconstruction or other benefits consequent to disaster from any officer of the Central Government, the State Government, the National Authority, the State Authority or the District Authority, shall, on conviction be punishable with imprisonment for a term which may extend to two years, and also with fine.

53. Punishment for misappropriation of money or materials, etc.—Whoever, being entrusted with any money or materials, or otherwise being, in custody of, or dominion over, any money or goods, meant for providing relief in any threatening disaster situation or disaster, misappropriates or appropriates for his own use or disposes of such money or materials or any part thereof or wilfully compels any other person so to do, shall on conviction be punishable with imprisonment for a term which may extend to two years, and also with fine.

54. Punishment for false warning.—Whoever makes or circulates a false alarm or warning as to disaster or its severity or magnitude, leading to panic, shall on conviction, be punishable with imprisonment which may extend to one year or with fine.

55. Offences by Departments of the Government.—(1) Where an offence under this Act has been committed by any Department of the Government, the head of the Department shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly

unless he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.

(2) Notwithstanding anything contained in sub-section (1), where an offence under this Act has been committed by a Department of the Government and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of, any officer, other than the head of the Department, such officer shall be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

56. Failure of officer in duty or his connivance at the contravention of the provisions of this Act.—Any officer, on whom any duty has been imposed by or under this Act and who ceases or refuses to perform or withdraws himself from the duties of his office shall, unless he has obtained the express written permission of his official superior or has other lawful excuse for so doing, be punishable with imprisonment for a term which may extend to one year or with fine.

57. Penalty for contravention of any order regarding requisitioning.—If any person contravenes any order made under section 65, he shall be punishable with imprisonment for a term which may extend to one year or with fine or with both.

58. Offence by companies.—(1) Where an offence under this Act has been committed by a company or body corporate, every person who at the time the offence was committed, was in charge of, and was responsible to, the company, for the conduct of the business of the company, as well as the company, shall be deemed to be guilty of the contravention and shall be liable to be proceeded against and punished accordingly:

Provided that nothing in this sub-section shall render any such person liable to any punishment provided in this Act, if he proves that the offence was committed without his knowledge or that he exercised due diligence to prevent the commission of such offence.

(2) Notwithstanding anything contained in sub-section (1), where an offence under this Act has been committed by a company, and it is proved that the offence was committed with the consent or connivance of or is attributable to any neglect on the part of any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall also, be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

Explanation.—For the purpose of this section—

- (a) “company” means anybody corporate and includes a firm or other association of individuals; and
- (b) “director”, in relation to a firm, means a partner in the firm.

59. Previous sanction for prosecution.—No prosecution for offences punishable under sections 55 and 56 shall be instituted except with the previous sanction of the Central Government or the State Government, as the case may be, or of any officer authorised in this behalf, by general or special order, by such Government.

60. Cognizance of offences.—No court shall take cognizance of an offence under this Act except on a complaint made by—

- (a) the National Authority, the State Authority, the Central Government, the State Government, the District Authority or any other authority or officer authorised in this behalf by that Authority or Government, as the case may be; or
- (b) any person who has given notice of not less than thirty days in the manner prescribed, of the alleged offence and his intention to make a complaint to the National Authority, the State Authority, the Central Government, the State Government, the District Authority or any other authority or officer authorised as aforesaid.

B. Section 188 in the Indian Penal Code, 1860

188. Disobedience to order duly promulgated by public servant.—Whoever, knowing that, by an order promulgated by a public servant lawfully empowered to promulgate such order, he is directed to abstain from a certain act, or to take certain order with certain property in his possession or under his management, disobeys such direction, shall, if such disobedience causes or tends to cause obstruction, annoyance or injury, or risk of obstruction, annoyance or injury, to any person lawfully employed, be punished with simple imprisonment for a term which may extend to one month or with fine which may extend to two hundred rupees, or with both; and if such disobedience causes or trends to cause danger to human life, health or safety, or causes or tends to cause a riot or affray, shall be punished with imprisonment of either description for a term which may extend to six months, or with fine which may extend to one thousand rupees, or with both.

Explanation.—It is not necessary that the offender should intend to produce harm, or contemplate his disobedience as likely to produce harm. It is sufficient that he knows of the order which he disobeys, and that his disobedience produces, or is likely to produce, harm.

Illustration

An order is promulgated by a public servant lawfully empowered to promulgate such order, directing that a religious procession shall not pass down a certain street. A knowingly disobeys the order, and thereby causes danger of riot. A has committed the offence defined in this section.

SOP on preventive measures to contain spread of COVID-19 in skill or entrepreneurship training institutions, higher educational institutions conducting doctoral courses and post graduate studies in technical & professional programs requiring laboratory /experimental work.

1. Background

Government of India is following a phase-wise unlocking of activities. In days to come, this would also involve resumption of activities in skill or entrepreneurship training institutions, higher educational institutions conducting doctoral courses and post graduate studies in technical & professional programs requiring laboratory /experimental work.

2. Scope

This SOP aims to enable safe resumption of teaching/ training activities in skill or entrepreneurship training institutions, higher educational institutions conducting doctoral courses and post graduate studies in technical & professional programs requiring laboratory /experimental work.

As far as **skill or entrepreneurship training** is concerned the same shall be permitted in national skill training institutes, industrial training institutes, short term training centres registered with National Skill Development Corporation or State Skill Development Missions or other Ministries of Government of India or State government, National Institute for Entrepreneurship and Small Business Development (NIESBUD), Indian Institute of Entrepreneurship (IIE), and their training providers.

Similarly, for Higher Educational Institutions conducting PhD or technical and professional programs requiring laboratory / experimental works will be permitted by Department of Higher Education in consultation with Ministry of Home Affairs (MHA).

This SOP outlines various generic precautionary measures to be adopted in addition to specific measures to be taken at these institutes to prevent spread of COVID-19.

3. Generic Preventive Measures

The generic preventive measures include simple public health measures that are to be followed to reduce the risk of COVID-19. These measures need to be observed by all (faculty, employees, students and visitors) in these places at all times.

These include:

- i. Physical distancing of at least 6 feet to be followed as far as feasible.
- ii. Use of face covers/masks to be made mandatory.
- iii. Frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be done wherever feasible.

- iv. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest.
- vi. Spitting shall be strictly prohibited.
- vii. Installation & use of Aarogya Setu App shall be advised wherever feasible.

4. All Institutions conducting skill or entrepreneurship training institutions, higher educational institutions conducting doctoral courses and post graduate studies shall specifically ensure the following arrangements

- i. Online/distance learning shall continue to be permitted and shall be encouraged.
- ii. Skill or entrepreneurship training will be permitted with effect from 21st September 2020
- iii. Higher educational institutions conducting PhD or technical and professional programs requiring laboratory / experimental works will be permitted by Department of Higher Education in consultation with MHA strictly following guidelines as indicated in the SOP.

4.1 Before opening up of the institution

a) Planning of reopening of institutions

- i. The institutions conducting skill or entrepreneurship training institutions, higher educational institutions conducting doctoral courses and post graduate studies shall only be allowed to open if they are outside the containment zones. Further, students and staff living in containment zones will not be allowed to attend the Institution. Students and staff shall also be advised not to visit areas falling within containment zones.
- ii. Prior to resumption of activities, all work areas intended for conduct of skill or entrepreneurship training, doctoral courses and post graduate studies including hostels, laboratories, other common utility areas shall be sanitized with 1% sodium hypochlorite solution, with particular attention to frequently touched surfaces.
- iii. Wherever skill based training on equipments are envisaged to be utilized, place the equipment 6 feet apart, wherever feasible, to facilitate physical distancing. Similarly, utilize any outdoor space by relocating equipment outside like in verandah, courtyard, shed, etc.
- iv. Instead of biometric attendance alternate arrangements for contactless attendance may be made.
- v. For ensuring queue management, inside and outside the premises, specific markings on the floor with a gap of 6 feet may be made and be adhered to.
- vi. The institute should display State helpline numbers and also numbers of local health authorities etc. to faculty /trainees / staff to contact in case of any emergency.
- vii. For air-conditioning/ventilation, the guidelines of CPWD shall be followed which emphasizes that the temperature setting of all air conditioning devices should be in the range of 24-30° C, relative humidity should be in the range of 40-70%, intake of fresh air should be as much as possible and cross ventilation should be there.
- viii. Lockers of students will remain in use, as long as physical distancing and regular disinfection is maintained.
- ix. Gymnasiums shall follow MoHFW guidelines (available at: (<https://www.mohfw.gov.in/pdf/Guidelinesonyogainstitutesandgymnasiums03082020.pdf>)).
- x. Swimming Pool (wherever applicable) shall remain closed.
- xi. Prominently display signages, posters and standees must indicate the dos and don'ts for the staff and students.

b) Planning and scheduling of activities

- i. The academic calendar shall be planned with a view to avoid overcrowding, congregation etc. As far as possible, the academic calendar should promote a mix of regular classes and online teaching/training, assessments
- ii. The day-wise, time-wise scheduling of teaching/training activities may be done in a staggered manner so as to avoid overcrowding at any one location on any day.
- iii. For practical activities in laboratories maximum capacity per session based on redesigned spaces, may be planned and scheduled accordingly.
- iv. All employees who are at higher risk i.e. older employees, pregnant employees and employees who have underlying medical conditions to take extra precautions. They should preferably not be exposed to any front-line work requiring direct contact with the students.

c) Availability and management of supplies

- i. Appropriate back-up stock of personal protection items like face covers/masks, visors, hand sanitizers etc. shall be made available by management to the teachers and staff.
- ii. Provide an adequate supply of thermal guns, alcohol wipes or 1% sodium hypochlorite solutions and disposable paper towels, soap, IEC materials on COVID.
- iii. Pulse oximeter to check oxygen saturation levels of any symptomatic person must be arranged.
- iv. Ensure availability of sufficient covered dustbins and trash cans
- v. Provision for proper disposal of used personal protection items and general waste in accordance with CPCB guidelines (available at: https://cpcb.nic.in/uploads/Projects/Bio-Medical-Waste/BMW-GUIDELINES-COVID_1.pdf)
- vi. Housekeeping staff to be informed & trained about norms for waste management & disposal

4.2 After opening of the teaching/training institutions**a) At the entry point**

- i. Entrance to have mandatory hand hygiene (sanitizer dispenser) and thermal screening provisions. Multiple gates/separate gates, if feasible, should be used for entry and exit while maintaining physical distancing norms.
- ii. Only asymptomatic persons (faculty, employees, students and visitors) to be allowed in the premises. If a faculty/employee/student/visitor is found to be symptomatic, he/she should be referred to nearest health center.
- iii. Posters/standees on preventive measures about COVID-19 to be displayed prominently.
- iv. Proper crowd management in the parking lots, in corridors and in elevators – duly following physical distancing norms shall be organized.
- v. Entry of visitors should be strictly regulated/restricted.

b) Conduct of teaching activities in the classrooms

- i. Seating arrangement to ensure a distance of 6 feet between chairs, desks etc.

- ii. Staggering of classroom activities to be done, with separate timing slots, to allow for adequate physical distancing and disinfection of classroom premises
 - iii. Academic scheduling should have intermix of regular classroom teaching and online teaching/assessments
 - iv. The teaching faculty will ensure that they themselves as well as the students wear masks throughout the conduct of the teaching activities
 - v. Sharing of items like laptops, notebook, stationary etc. amongst students should not be allowed.
- c) Conduct of skill based training in workshops/laboratories**
- i. Ensure that the equipment has been disinfected, particularly the frequently touched surfaces before each use
 - ii. Ensure a floor area of 4m² per person is available for working on equipment/work station
 - iii. Ensure that members sanitize their hands before and after using training equipment. For such purpose hand sanitizer should be provided at workstations/simulation labs etc.
- d) Activities in common area – library, canteen, common rooms, gymnasium, etc.**
- i. Physical distancing of 6 feet needs to be maintained
 - ii. Person using the common areas need to use mask/face cover all the time

 - iv. Wherever applicable, avoid cash transactions and e-wallets etc may be promoted.
- e) Transportation to and from the institution**
- If transportation facility is being managed by the institution, proper physical distancing, sanitization of buses/ other transport vehicles (with 1% sodium hypochlorite) shall be ensured.

5. Hygiene and Sanitation

- i. Daily cleaning of the floors shall be taken up.
- ii. Provision of soap in toilets and hand sanitizers in other common areas in sufficient quantity must be ensured.
- iii. Cleaning and regular disinfection (using 1% sodium hypochlorite) of frequently touched surfaces (door knobs, elevator buttons, hand rails, chairs, benches, washroom fixtures, etc.) to be made mandatory in all class rooms, laboratories, lockers, parking areas, other common areas etc. before beginning of classes and at the end of the day.
- iv. Teaching materials, computers, laptops, printers, shall be regularly disinfected with 70% alcohol swipe.
- v. Deep cleaning of all drinking and hand washing stations, washrooms and lavatories shall be ensured.
- vi. Students and staff should be advised to dispose of used face covers / masks in separate covered bins placed in class rooms, work stations and other common areas. The same may remain stored in the bins for 3 days and disposed of as dry general solid waste after cutting/shredding.
- vii. Residential buildings, if any, also needs to be sanitized regularly.

6. Risk Communication

- i. Create awareness to ensure the students do not gather when leaving the institute and in their free time

- ii. Create awareness among the students to follow simple preventive health measures like hand hygiene, respiratory hygiene, physical distancing and wearing of masks.
- iii. Ensure regular counselling is done for students reporting mental health issues such as anxiety and depression
- iv. If a student, faculty or staff is sick, she/he should not come to institute and follow necessary protocols in this regard

7. Additional considerations for medical post-graduate students needs to be ensured.

Post-graduate medical students involved in COVID patient care and in essential non-COVID work shall familiarize themselves with the Infection Prevention and Control protocol guidelines available at:

(<https://www.mohfw.gov.in/pdf//National%20Guidelines%20for%20IPC%20in%20HCF%20-%20final%281%29.pdf>) besides guidelines on rational use of Personal Protective Equipment available at :

(<https://www.mohfw.gov.in/pdf/GuidelinesonrationaluseofPersonalProtectiveEquipment.pdf> and <https://www.mohfw.gov.in/pdf/UpdatedAdditionalguidelinesonrationaluseofPersonalProtectiveEquipmentsettingapproachforHealthfunctionariesworkinginnonCOVID19areas.pdf>)

8. Ensure Safe Stay at Hostels, guest houses and other residential complexes

The measures as proposed above related to use of mask/face cover, hand hygiene, respiratory hygiene, physical distancing norms and environmental sanitation will apply to hostels and other residential buildings.

Further, the following specific points for Hostels/guest houses/other residential complexes shall also be followed:

- i. Students who are not local residents of the city/town, or do not have any support at home, or do not have facility for on-line education may be prioritized for allotment of hostel rooms.
- ii. Since students may be coming from different locations, they shall remain in quarantine and self-monitor their health for a period of 14 days before being allowed to attend classes or as per the policy opted by the State Government for quarantine.
- iii. Screening of every boarder needs to be done before they start staying at the hostel. Only asymptomatic boarders should be allowed to join. Symptomatic boarders shall be isolated in the designated isolation facility at the institute, till such time, they are seen by a doctor.
- iv. Proper crowd management in the hostel as well as in outside premises like parking lots – duly following physical distancing norms shall be ensured. Gatherings/congregations shall continue to remain prohibited.
- v. In shared rooms/dormitories, the beds should be placed at a distance of 6 feet from each other. Temporary partitions may be considered, if feasible. Any symptomatic student should be immediately given a single room and then provided requisite medical care.
- vi. Mess facility, if any within the premises, shall follow physical distancing norms at all times. Staggering of meal timings may be done to prevent overcrowding.
- vii. Hostel should be out of bound for all persons except essential staff with known health status.

- 9. SOP to be followed in case a student/faculty/staff develops symptoms (fever, cough, difficulty in breathing)**
- i. Place the ill person in a room or area where they are isolated from others.
 - ii. Inform parents/guardians as the case may be
 - iii. Patient will remain isolated while wearing a mask/face cover till such time they are examined by a doctor.
 - iv. Immediately inform the nearest medical facility (hospital/clinic) or call the state or district helpline.
 - v. A risk assessment shall be undertaken by the designated public health authority (district RRT/treating physician) and accordingly further action be initiated regarding management of case, their contacts and need for disinfection.
 - vi. Disinfection of the premises to be taken up if the person is found positive.
 - vii. If there is clustering of cases in hostel/residential building, inform local health authorities immediately.
