To,
All PIAs of Seekho Aur Kamao

Subject: Details of trained & placed trainees of Seekho aur Kamao scheme under the SAK-Portal

The ministry has been strictly insisting on mobilisation of beneficiaries and creation of batches (with start and end date of training) on the Seekho Aur Kamao Portal, as the requirement of Scheme Guideline, w.e.f target year 2017-18. It has however been noticed that even after completion of batches, many PIAs are not uploading the placement details of the beneficiaries on the SAK Portal. This creates an erroneous impression that even after completion of skilling, and assessment, the beneficiaries have still not been got employed or placed, by the PIAs, whereas the scheme guideline mandates that minimum 75% of the trained beneficiaries should be got placed, out of which 50% of the beneficiaries are required to be placed in the organised sector.

After completion of the training, the PIA must mark the batch as completed on the portal from the following menu:

Trainee Management > Batch Details.

All PIAs are hereby directed to fill/update the placement details of their respective trainees on the Seekho Aur Kamao portal at the earliest. **Failure to fill/update the data on or before 15th March, 2021 may also impact the rating of the PIAs for future allocation as well.**

All PIAs are requested to note and comply immediately and fill the data for Target Year 2017-18 onwards.
